Welcome on board Costa Serena

THE SHIP OF THE GODS

Costa Serena is dedicated to the Olympian Gods and the myths of classical antiquity, the source of its majesty and greatness. The spectacle starts at the **Pantheon Atrium**, with its panoramic lifts that seem to rise to meet the sky and its grandiose murals. It is embellished all over with prized materials, works of art and luxurious decorations. The majestic areas cocoon Guests in a magical atmosphere of wellbeing. Costa Serena is a unique experience, enriched by evocative beauty.

The beauty of **art** is centre stage on every journey.

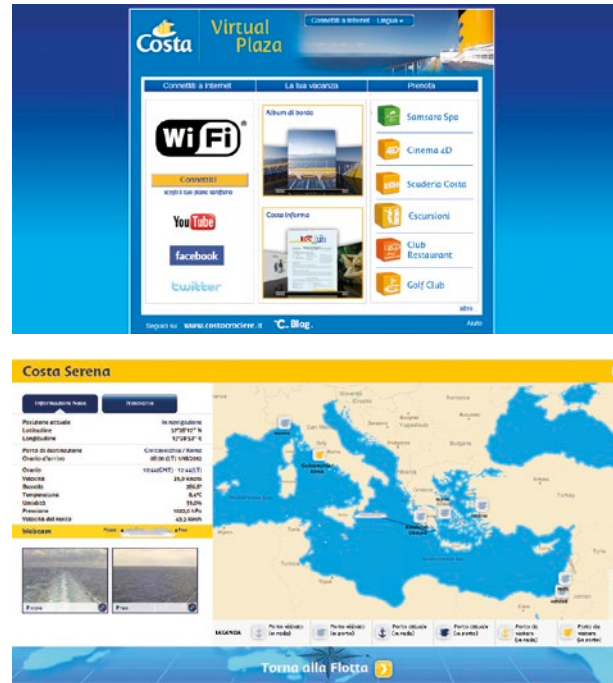

Costa Serena exhibits works by many of the most celebrated contemporary artists. The homage to classical art transforms the interior and exterior spaces of the ship into a veritable museum, with paintings, sculptures, and designs by internationally renowned artists, such as Rebecchi & Togni, Manuela Fanelli and Wal. The "Teatro del Mito" series installed in the central staircase is by Ferdinando De Filippi, while the Pantheon Atrium houses the sixteen "Costumi della scultura" by Alberto Nodolini, inspired by Roman mythology. A harmonic fusion of past and present that never fails to amaze.
